

Palm Leaf Activity

Instructions:

Using this palm leaf as a pattern, trace and cut out a palm leaf from a piece of green felt or green paper. As a family, decide what you will give praise to God for this week. Using a permanent marker, write your family's praise to God then display the leaf in a prominent place in your home for the week. As you pray daily, thank God for His goodness and share your praise with others who may visit your home this week.
