- 2. What questions, if any, would you like to ask God when you get to Heaven? Do you have more “Why” questions or more “Theological” questions?
- 3. What cultural, religious or media influences have confused you about what Heaven will be like? To what extent do you believe these influences are orchestrated by Satan? How have they impacted your views and anticipation of Heaven?
- 4. What impact has the lack of a developed understanding of Heaven had on 1) Your passion for and obedience to Christ? 2) Your willingness and capacity to persevere under trial? 3) Your participation in sharing the Good News with those around you? 4) Your ambition to make your life count for eternal things?
- 5. Take a few minutes to write down what you know about Heaven. Tuck this paper away in your Bible and review after our series is over to discover how much you have learned.
