PERSONAL APPLICATION

Take some time this week to consider the following:

- 1. What was the major emphasis of your life (what you spent your time, money, energy, etc. living for) before you came to Christ? What is it now? Is it reflected in your actual commitments?
- 2. Make a list of things that Jesus gave up in order to fulfill the mission God gave Him. Do you think He could have had all those things and still accomplished His mission? Why or why not?
- 3. If Jesus were to call you today to follow Him, what do you think He would require you to give up? Would you be willing?
- 4. Read 2 Timothy 2:2. What's Paul's ministry strategy? Are you ready to accept the challenge of multiplying your spiritual life in others? Why or why not?
- 5. Pray for a heart to be sold out for God's mission. Ask Him for one person whom you could disciple and invest in spiritually.
