PERSONAL APPLICATION

Take some time this week to consider the following:

1. Has anyone ever challenged you to defend the authority and reliability of the Bible? How did you respond?
2. After hearing this teaching on Manuscript Evidence and Archeological Evidence, are you more confident in the reliability of the Bible? Why or why not?
3. Below is an illustration of 99% of the variant readings from the NT manuscripts. Suppose we have five manuscript copies of an original document that no longer exists. Each copy is different. Our goal is to compare the manuscript copies and ascertain what the original must have said.
Manuscript #1: Jesus Christ is the Savior of the whole world.
Manuscript #2: Christ Jesus is the Savior of the whole world.
Manuscript #3: Jesus Christ s the Savior of the whole world.
Manuscript #4: Jesus Christ is th Savior of the whle world.
Manuscript #5: Jesus Christ is the Savior of the whole wrld.
Could you, by comparing the manuscript copies, ascertain what the original document said with a high degree of certainty that you are correct?
4. Read Matthew 7:24-27. Since you are holding in your hand – not a rough facsimile or even a close approximation – but the very Word of God, what difference will it make in your life this week? How will you live differently as a result of what you have learned today?
