## PERSONAL APPLICATION

Take some time this week to consider the following:

1. What is the life of a slave like? How were you like a slave before coming to know Christ?
2. Paul makes a remarkable statement in Eph 1:11 that God "works out everything in conformity with the purpose of His will." Does he really mean everything? If so, what impact does this have on your view of life's highs and lows? What confidence can you have regardless of our circumstances? [Hint: Read Rom 8:28-29]
3. Paul makes it clear that God has withheld no good thing from us. What prevents many Christians (the benefactors of his rich grace) from completely giving themselves to God? What, if anything, holds you back?
4. On a scale of 1-10 (ten being the highest) how submitted are you to the headship of Christ in your a) relationship with Him b) family life c) work d) attitudes and actions?
5. Read Eph. 1:3-12. Make a list of all that God has done for you and the position he has given you in Christ. Take a moment now to acknowledge the riches of His grace in your life.
