PERSONAL APPLICATION
Take some time this week to consider the following:

1. How would you describe your attitude and behavior toward your parents when you were growing up? What did your attitude/behavior produce? In you? In your parents?
2. What practical things should Christian fathers be doing on a daily basis to properly disciple and train their children? Are you doing these things? Why or why not?
3. What is the difference between obeying and honoring? How are they connected? Which is most important? Why?
5. Read 2 Timothy 3:16-17. Identify the four profitable aspects of the Word of God. Describe how each of these tools could be applied in day to day parenting. Is one more important than another? What will be the outcome [verse 17]?
6. If you are a parent, ask God for the wisdom and discipline to properly teach and train your child in the Lord. If you are a young person still living at home, ask God to give you an obedient heart and a desire to honor your parents in a manner that pleases the Lord.
