PERSONAL APPLICATION

Take some time this week to consider the following:

1. Have you ever been jealous of someone else? What happened?
2. God warns Cain that sin desires to master him but that he must master it. How is the Christian to master sin? What sin are you having trouble mastering? What should you do?
3. Compare Cain's sin and its consequences to Adam and Eve's. How is it similar? How is it different? What influence do you think Adam and Eve's sin and their response to God's correction had on Cain? What does this teach you?
4. Make a list of Cain's sins. What were the consequences? Which consequences do you consider most tragic and why?
5. If God were to examine your life today, where would He look on you with favor? Where with disfavor?
6. Read Psalm 51. Take a few moments to pray through this Psalm of repentance. Ask God to reveal anything that displeases Him about your life and then confess and renounce these sins.
