PERSONAL APPLICATION

Take some time this week to consider the following:

- 1. If you had been in Noah's family when the rain began, what is the one thing that you would want to take with you on the trip?
- 2. We know that building the ark took approximately 120 years. What challenges do you think Noah had to face in order to complete the calling of God on his life? Do you think you could have faithfully fulfilled his mission? Why or why not?
- 3. Considering the violence, corruption and unremitting pressure of ungodly culture, how do you think Noah managed to remain righteous in his walk with God? Do you find it difficult to remain faithful to God in our culture? Why or why not?
- 4. Read John 17:4 and Acts 20:24. What is the work that God has given you to do? Are you completing it?
- 5. Ask God to give you the faith, strength and courage to complete what He has called you to do in this brief life.
