PERSONAL APPLICATION

Take some time this week to consider the following:

- 1. Think ahead to the day of your death. What would you like to pass on to your children materially? Spiritually? What steps do you need to take now to make that a reality?
- 2. What kind of person do you envision Esau to be? How do you envision Jacob? Which one are you most like? Which would you want for a son? For a friend? Why?
- 3. Read James 2:1-13. What's wrong with favoritism? What problems result when we show favoritism in our family?
- 3. Jacob knew the promises of God, but grew impatient and decided to take matters into his own hands. Is there an area in your life where you have grown impatient and are tempted to "make things happen"? What should you do?
- 4. What does this story teach you about the sovereignty of God in human history? In the gift of salvation? In your life?
- 5. Take a few moments to humbly yield your life back to God; your plans, your future, your dreams, your fears. Then take a moment to make Proverbs 3:5-6 a personal prayer of surrender.
