PERSONAL APPLICATION

Take some time this week to consider the following:

- 1. Have you ever been without food or money? What were your circumstances? What was the outcome?
- 2. There were three simultaneous "tests" taking place in this story:
 - 1) Joseph's brothers were being tested in repentance, 2) Joseph was being tested in mercy, and 3) Jacob was being tested in faith. Which test is most difficult for you to pass? Why?
- 3. What do you think is going on with Joseph's brothers in verses 21-22 and 27-28: Godly sorrow or worldly sorrow? Support your answer from the text.
- 4. When someone has wronged you, are you more likely to seek reconciliation or revenge? What does this tell you about yourself? About your faith in God?
- 5. Is there something from your past that is haunting you? Why not go back, acknowledge your sin, repent of your sin, make restitution and be free? Ask the Holy Spirit for guidance and power to cooperate with Him to be unshackled from the past.
