PERSONAL APPLICATION

Take some time this week to consider the following:

1. How do most people respond to someone who is a spiritual hypocrite? Do unbelievers have a valid gripe when they accuse the church of hypocrisy? Why or why not?
2. The Jews mistakenly put their confidence in their nationality, the Law, and circumcision instead of in a right relationship with God. What do "Christians" today mistakenly put their hope in? How could "praying the prayer" to receive Jesus as Savior be likened to the Jews' dependence on circumcision for salvation?
3. The Jewish leaders were notorious for setting high standards for others that they themselves were unwilling/unable to keep. Have you ever seen this same pattern in your own life? How?
4. *True or False:* An unbeliever should be able to look at any part of your life (public or private) and see a consistent pattern of godliness (not perfection) and get a clear idea of what Jesus is like. Is this true of your life? What changes would you need to make in order to be a reliable model of Jesus Christ?
5. Man looks on the "outside" -- God looks at the "heart". What do you think would be God's overall assessment of your heart?
6. Take a moment to listen to the Holy Spirit. In light of this study, what is He saying? What should be your response? Whatever it is, ask God for His grace and power to carry out what He has told you to do. And ask Him for opportunities this week to be a light to the world as you point people to Jesus!
