

The Ten Commandments

This week we looked at the commandment #5:

“Honor your father and your mother...”

(Exodus 20:12a NET)

We studied Numbers 13: 12 Men Went to Spy on Canaan (part 1)

Moses asked the men to go and explore the land. He asked them to:

1. See what the _____ was like.
2. See whether the people who lived there were _____ or _____.
3. See if there were _____ or _____ people.
4. See what the land was like; if it was _____ or _____.
5. See what kinds of _____ they live in.
6. See if there were _____ around the towns.
7. See what the soil was like; _____ or _____.
8. See if there were any _____.
9. Bring back some _____.

Did Moses ask the men to determine whether or not they could take the land? _____

It was not their job to determine whether they could take Canaan or not. God had already promised the land to them. We'll see next week what the people decide to do.

What about you? What about your family? Are you spreading bad reports about God or about church because you are unhappy? We need to be careful we hold tight to what God tells us even when; no, especially when, we look like grasshoppers in our own eyes.

We need to honor our parents because God tells us to. When we honor our parents, we honor Him.

1. land; 2. strong or weak; 3. lots or few; 4. good or bad; 5. towns; 6. walls; 7. fertile or poor; 8. trees; 9. fruit. Did Moses ask the men to determine whether or not they could take the land? No
