to lead with theological
integrity

the **Skeptic** who
wants some questions
answered

the **Lover** who wants to
know and love God
more deeply.

"This course has helped me to expand my thinking and study of Scripture beyond the narrow into a deeper understanding. Mostly, it has affected all that I do - from the other Bible studies I take to how I relate and communicate with people. I have more confidence in my beliefs and am better able to communicate those beliefs."
